Brian – tells me that he is bogged down on a MS4 enforcement case. He says he needs until the 15th now.

Subject: General Permit Reviews - Groundwater Remediation and Petroleum Products Terminals

Pat –

We sent the above noted general permits to EPA for review on 7/10 and 7/11 , respectively, but I do not see where we have rec'd any comments back. Could you please give me an update on the status of EPA's review of these 2 GP's?

Thanks.
